However, cliches do not produce superior team performance in the sports world any more than in the world of business. Only committed leaders, motivated to deliver outstanding results, make the real difference in sustained excellence. The principles and guidelines that he discloses are the same ones he used successfully in his twenty-seven years of corporate leadership experience. This book should be required reading for leaders committed to continuous improvement who need simple, practical, and effective guidelines for building superior teams. Readers will learn how to raise the intelligence of their team, how to create an initiative based culture, and how to establish an environment of uncompromised integrity.
