THE JOURNEYERS

Helm Publishing, United States, 2006. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Journeyers is an adventure and coming of age novel, set in one of the more exciting times in U.S. history. Andy Clay is a fifteen year old boy growing up on a farm in northern Alabama in the fall of 1847. He lives with his father, mother and two brothers. On his way home from an afternoon of fishing, Andy comes across Ben Reckefus whipping his slave. Ben is Andy s age and when Andy intervenes, a knife fight ensues and Andy kills Ben in self defense. When it is learned that Ben s father intends to have Andy killed after he is arrested, Andy s father, Thomas, decides that Andy s only chance is to flee to Memphis where a relative lives. During Andy s flight, he is tracked down and captured by Ephraim Walker, who has instructions to return Andy dead. Just before Ephraim pulls the trigger, he is shot and killed by Cloris Samson, a young girl who is a runaway from an abusive family. Throughout the story, there is an underlying tension in Andy to be reunited with his family and his excitement in the independence and adventure that are a result of his forced exile.
