THE LAST AMERICANS AND DONALD TRUMP: THE FIGHT FOR AMERICA (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Talk about the DARK SIDE of American politics! It s worse than anyone ever imagined! Far, far worse! This book tells the true story of the deceitful, vile, corrupt, arrogant, elitist, anti-God, anti-American individuals and entities who were determined to engineer the outcome of our presidential election to suit their own ends: and EXACTLY WHY they were doing this. Yes, finally a book that will tell you the truth and give you the real reasons for all of this mayhem. Finally, find out about the real people, entities and organizations so villainous that one would think they could only come from a fictional novel. But they didn t. Tragically, they are all too real and they are still very much engaged in anti-American activities: Activities, which are designed to take power away from the people and vest it instead, in the state. And that state, of course, is to be transformed into a socialist totalitarian state, in which their party (the Democratic Party) and their president would preside over and rule the country under the aegis of a world government. This is why they had to try to steal the presidency: if told the truth; no one would vote for this. Find out the REAL REASON for the Democrats hatred of America. and us. 10 of the proceeds of this book will be given to St Jude s, CBN and other charities. A copy of The United States Constitution is included with the purchase of this book.
