## The Borders of Race in Colonial South Africa: The Kat River Settlement, 1829-1856 (Paperback)

By Robert Ross

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book provides a detailed narrative of the Kat River Settlement in the Eastern Cape of South Africa during the nineteenth century. The settlement was created by the British to use the Khoekhoe as a living barrier between the Cape Colony and the amaXhosa. It was fought over with some regularity, however, and finally broken up after some of the Khoekhoe joined the amaXhosa in their war against the colony. Nevertheless, in the time that the settlement existed, the Khoekhoe both created a fertile landscape in the valley and developed a political theology of great importance for the evolution of South Africa. They were also the subjects of - and participants in - the major debates leading to the introduction of a liberal constitution for the Cape in 1853. The history of the settlement is thus crucial in understanding the development of both colonial racism and the creation of the colony's non-racial democracy.

### Reviews

*Absolutely one of the better ebook We have ever study. it had been writtern quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Carol Lehner II**

*This pdf may be worth getting. It is actually writter in straightforward words and not difficult to understand. You will not feel monotony at at any moment of your respective time (that's what catalogs are for about should you request me).*

-- **Miss Golda Okuneva**
