Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Out of Darkness, From Chaos to Clarity via Meditation refers to a journey of return to our primordial source of being, one's personal mythical Eden or natural home. It is a life altering project for the confused and disenchanted-ripe ones who have reached a plateau of dissatisfaction in their search for meaning. Illuminating a high-way from the vale of the West to the high plateaus of the East, the ageless teachings of wise ones are distilled to expose our mental afflictions and begin the self-healing process. These perennial teachings are like a GPS that guides us through an open-minded inquiry into prerequisite qualities for undertaking the journey from our current morass of confusion to the peaks of spiritual sanity. Crossing the threshold to a spectrum of meditation approaches leads to liberation from suffering and enlightenment for the benefit of others. Meditation practices help the reader/practitioner connect with a profound spiritual experience. Progressing in nuanced stages, each session generates coherent wholeness and initiates the process of coming into relationship with the fruits of meditation-radiant love and luminous clarity. Structured in four parts, the Prelude sets the ambiance for the following fifteen chapters. Each chapter concludes with a simple yet timeless meditation practice session to ingest its theme. The meditation practice schema is designed to encourage the reader/practitioner to effortlessly relax into a profoundly subtle and interiorly oriented state. Are you ready to dive into the baptismal waters of a generative spiritual practice? I have rarely if ever seen the spiritual path outlined so concisely and helpfully as here. It addresses the three basic questions: Who am I? Where am I going? and What to do with my life? Highly recommended....
