Loose Id, LLC. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.3in. x 5.5in. x 0.7in. Busy professionals in their forties who've never been attracted to men before, Eli and Zane definitely didn't expect to fall for each other. Eli and Zane. Colleagues at work and close friends. An odd couple. Zane took the high school to college to med school track. Medicine is Eli's second career and the best choice he ever made. He has work that he loves, an extended second family of colleagues and friends, and Zane. So why does everyone make such a big deal about the pair of them? Yes, they spend a lot of time together. It doesn't mean they're a real couple. When teased about it one too many times by their colleagues, Zane challenges Eli to set the record straight with a kiss to prove there's absolutely no chemistry between them. Neither expected a spark to ignite between them. More than a spark. Desire. Passion. Zane wants to try getting up close and personal again to see if it was a one-time fluke or something more. Eli thinks he's too old to jump the fence now, but he can't say no to Zane and he realizes he doesn't want to. Truth be told, Eli's not so sure they can set the record straight after all. . . Take two, and call me in the morning. Publishers Note: This book contains explicit sexual content, graphic language, and male-male sexual practices. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
