## BUDDHIST WISDOM (PAPERBACK)

Random House USA Inc, United States, 2001. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A landmark publication which offers Western readers a unique combination of what Buddhists worldwide consider the holiest of holy texts The Diamond Sutra and The Heart Sutra, two sutras, or scriptures, ascribed to the early centuries of the first millennium. The Diamond Sutra, or the Perfection of Wisdom, which cuts like a thunderbolt, is one of the cornerstone texts of Mahayana Buddhism and provides a summary of the core concepts of the Buddha. The Heart Sutra, perhaps the most important of all Buddhist texts, sets out to formulate the very heart, or essence of perfect wisdom and is studied with special reverence in Zen monasteries and the Tibetan Buddhist lamaseries. Edward Conze, who was until his death in 1979 a powerful force for introducing Buddhism and its sacred texts to the West, has provided these translated key texts with an extensive commentary for the easiest possible appreciation phrase by phrase. For this new edition, Judith Simmer-Brown, a well-known American scholar of Buddhism, has contributed a lively, context-setting introduction. In the annals of spirituality, certain books stand out both for their historical importance and for their continued relevance. The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions, with specially commissioned essays by noted contemporary commentators. Filled with eloquence and fresh insight, encouragement and solace, Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind s relation to the divine.
