Andrews McMeel Publishing, LLC, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The popularity of Sherman s Lagoon continues to swell like the perfect wave. The strip s rather slow namesake shark is back with more urbane wit and capricious creatures in his famous lagoon. While the imagery and setting appeal to a younger generation, Sherman and his pals clever dialogue and outlandish hang-ups appeal to their parents and grandparents as well. Sherman the dim-witted shark and his cast of characters in Sherman s Lagoon provide enough laughs for a barrel of monkeys, not that they ve ever seen any. The Lagoonies, as they re known to regular comic strip readers, are a motley crew-mostly of sea life-known for their acerbic humor. There s Megan, Sherman s wife (a soft-touch despite the tough exterior). Fillmore the sea turtle makes up for Sherman s lack of intellect. Hawthorne the hermit crab resides in a beer can and is always in a crabby mood. Ernest the fish is a computer whiz, and Thornton the polar bear stumbled upon the island while floating by on an iceberg. Captain Quigley is the only human (or beach ape) who resides in Sherman s Lagoon. He lost his leg to Sherman and is now out for revenge, but never quite gets close enough. To round out the cast there s Bob the bottom dweller. Enough said. Readers love Sherman and his friends for their hilarious reflections of human behavior as seen through a seawater lens. Jim balances the lighthearted antics of this quirky group by promoting the importance of marine conservation. Sherman s Lagoon is quite a catch! Sherman s Lagoon has been in syndication since 1991, and boasts a circulation of more than 200 daily newspapers on five continents.
