Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This story is about wrecks and recklessness, about cars being abused and murdered, and people who shouldn't reproduce. Welcome to David's world as he wrecks his way from the East to West Coast, surviving over a dozen car accidents without a scratch and countless felonies under the radar. It's a miracle he's not dead, disabled, or in prison. Luckily, he was born a Teflon baby. Mr. Hice and his friends have burned, drowned, and relentlessly trashed their vehicles. His credentials include flying a car farther than the Wright Brothers' first plane flight. There were high-speed police pursuits and other legal issues. Although his license was suspended for years, he continued to drive naked in parts of Utah, Arizona, Nevada, and California. There were multiple identities found in his briefcase when he was arrested in the Miami International Airport. Over the years he's had to hire seven different attorneys. If you've ever been in a car accident, had sex or done drugs, Baby Boomer, Gen X, Text Gen, or just need a fix, then this is the book for you. Buckle up and hunker down for a laugh-a-minute ride of a lifetime. The action begins during a high-speed slide off the I-10 near Los Angeles, a real cliffhanger.
