Reviews

Definitely one of the best book I actually have ever go through. Sure, it can be perform, nonetheless an amazing and interesting literature. I found out this pdf from my dad and i suggested this book to discover.
(Ms. Chanel Streich)

CORNELL READING-COURSE FOR FARMERS VOLUME 1-36

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 Excerpt: . Table I it is easy to figure the cost of a ration. Find the price per ton or per hundred in the column on the left side of Table I. Follow the line of figures to the right until the column is reached which contains the number of pounds which has been used in the ration. These figures will represent the cost of the quantity used at the price paid per ton or per hundred. Rations can be quickly compounded by using the tables. The Feeding of Animals, by Jordan. P. 392. Following are some sample rations which show how they may be prepared from the tables. The reader can easily figure out for himself other rations from which he can make up as many combinations as he may desire, to suit his conditions and the poultry foods which are available. II. Sample Rations. Rations A and B. two rations weighing the same and having practically equal number of pounds of dry matter but different amounts of protein and carbohydrates. (A) Water D. M.
