Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A robust and healthy self-esteem is the bedrock of our whole personality. No other quality effects as many aspects of our life and determines our success in a such a broad variety of areas. Accordingly, low self-esteem inhibits us tremendously. It blocks the road to a happy and fulfilling life. This book will not only provide practices and exercises to reclaim your true self-worth, the innate worth of your Natural Self, but help you to moderate the actual low self-esteem experience. By attacking the enemy - low self-esteem - from various sides, Natural Self Esteem is probably the fastest and yet at the same time profoundest approach to overcome low self-esteem for good. Benefit from this new, integrative and comprehensive approach: > Integrative: The various modules in this book are interrelated and reinforce each other. In this way you can benefit from the so-called synergy-effect: the modules function together and produce results that are otherwise not obtainable. Thus, the speed, potency, and effectiveness of change is increased. > Comprehensive: Other than most books about self-esteem, this book does not limit itself to working with thoughts and beliefs but also includes the insights of depth psychology. The re-integration of suppressed qualities is a necessary condition if a stable and robust self-esteem is to be achieved. > Change-inducing: This book is especially designed to expedite the change process. A whole module addresses change itself by assembling the latest insights of neuroscience and behavioral psychology. A change-manual let you select the relevant exercise or practice and enables the utilization on the spot . > Sustainable transformation: Setbacks, normal in any transformation, are used to quicken the process of change with the...
