By Mrio Fortunato

Outskirts Press, United States, 2008. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.Resume By 1888 when moved to Arles in South of France, the Dutch Master VINCENT VAN GOGH, revealed the dream to establish a STUDIO OF SOUTH, a community of Painters that would work with the strong color of those luminous places. This book, illustrates the MIRACULOUS recover of the STUDIO OF SOUTH. It is first of all a romantic adventure with more than 100 years, or simply a TRANSFIGURATION MOUNTAIN. A Portuguese Proverb: Uma imagem vale mais que mil palavras - One image is worth more than a thousand words. From David Brooks of the website THE VINCENT VAN GOGH GALLERY Good quotes (like by DE MORAES about Japan). The Ursule Blanche character is an interesting one. Interesting comments about science eventually aligning with CHRIST s teachings.
