

The Future of the God-Hallucination: Reflections on the Nietzschean Lifestyle-Brand (Paperback)

By James Krendel-Clark

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This essay (in the authentic sense of the word, an attempt), takes the point of view that the ruination brought on by the death of God is not so much an ethical problem, but a crisis of representation (and of therefore of subjectivity). The Christ-event, like the Nietzsche-event, was a question of a certain Absolute force, a certain universality which was, for a time, concentrated within the soul of a single human actor, such that a certain voice was heard, no longer merely a question of the occasional inspiration of the prophets, but of an Absolute which spoke with authority for itself, in the durational form of a life. If Nietzsche proves that this event is performative in the most profound sense of the word (from Austin's famous I now pronounce you man and wife, we arrive at I am not a man, I am dynamite), we must wonder whether it is possible to isolate certain aspects of this performance, in order that we might learn to make use of them for ourselves, in our own attempts...
