CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 50 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. You can't run before you can walk but you might be surprised how quickly you can increase your walking pace, making running a much nearer prospect. This is what this book is about to get you moving as quickly as possible and to push you quickly towards your goal of playing classical guitar with correct technique as well as understanding the joy of music theory along the way. This is a book for the serious beginner. You know that you want to play the classical guitar and you know that you have got to put in hours of practice to get anywhere with it. You don't give up easily and you will back up what is in this book with your own efforts. If you do this, you will find that you can go from not being able to play a note to approximately grade 2 or even 3 by the time you get to the last page. From there, you will be able to travel as far as you want to on this never-ending journey of music. This item ships from La Vergne, TN. Paperback.
