Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

FAMILY HISTORY FOR THE OLDER AND WISER: FIND YOUR ROOTS WITH ONLINE TOOLS

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Family History for the Older and Wiser: Find Your Roots with Online Tools, Susan Fifer, Discover your roots with Family History for the Older and Wiser. This extremely easy-to-follow book will guide you through all the different stages of researching your family history online and how to record your findings. Using a case study approach, the book takes a single source item - an 1890 marriage certificate purchased at an antiques event - and uses it to highlight the questions you should be asking yourself about your own family documentation and how this can be used as a basis for online research. Learn how to: Access and investigate online records Use spreadsheets to record your findings and assess their validity and reliability Incorporate your family tree into online programs Share your research with friends and family and much more.
