Through her powerful story and sharing her deepest, most intimate experiences, she shines a radiant light of hope and is an inspiration for all of humanity. I am a faith maker, here to help you to believe in and trust the universe. I hope by reading my story, you can all find a little more faith and a lot more power. Megan's vision for this book was to break the silence that surrounds sexual abuse. By speaking up and speaking out, she transformed her own life and now she wants others who have experienced the darkness of depression to be uplifted with a vision of a magical journey of spiritual enlightenment. Megan provides us with vision and a process for deep self-healing as we are called to remember the power and potential of the human spirit and its truly divine nature. Megan reveals her encounters with energy and spirit and shows you how the signs from the universe abound. She challenges you to look deep inside yourself to discover the great and wonderful being that is ready to light you up from the inside out. Open your mind, open your heart, get ready to cry and get ready to laugh . . . this is one journey that is worth the cost. Megan Freeland.
