BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, Walking with Old Testament Women: Imaginative Studies for Bible Meditation, Fiona Stratta, The world of the Old Testament can seem remote, yet if we take a meditative approach to reading its stories, we can find ourselves connecting the people and events of those far-off centuries with our own lives. Walking with Old Testament Women follows the same imaginative, Ignatian-style approach as Fiona Stratta's well-received first book, Walking with Gospel Women. Taking twelve women characters, some familiar, some less-known, Fiona uses monologues and reflective questions to explore what their experiences can teach us today. Suitable for both group and individual use, the book offers a gentle introduction for those who have not encountered the stories before, but can also be a refreshing resource for those who feel they know the stories well.
