Here we go again, with, The trees are disappearing, the trees are disappearing! Come on, Leaf, no one else believes this fairytale except you and your hero father. Look around us. We don't see anything but trees. Everyone believes that Leaf and his visionary father have lost their minds when they say that people are cutting down the trees-the primordial, sturdy trees that have sheltered their colony throughout the ages and stood strong against all enemies. But the humans aren't the leaf colony's only concern, they quickly realize. When their ancient enemies, the ants, attack their tree home with three massive armies (complete with wolf-spiders, leaf-cutting caterpillars, and hornets as air support), the leaf colony must decide who they should believe, who they should follow, and whether they should stay and defend their families, community, and ancient homeland. It's a dangerous world out..
