Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Far too many people don t pay attention to history which is why so many people, especially in America, fall prey to it. Had they been paying attention, they would have seen Trumpism alive and well throughout presidential history. I have documented a few examples but there are many more, believe me. This system could not have remained so racist, misogynistic and xenophobic for so long had there not been a system and a plan to hand the baton of oppression off from one cracker to the next. Donald Trump s escapades and cacophonies of emotive labeling are not the first time the white male ego paved the way for the eventual undermining of the nation s political system. I am a scholar in political science and have kept close watch on these white men and their egos. I sicken when these cry babies whine and ask about, did you see/hear what Trump did today ? I am a history scholar and therefore I ve read about and studied tens of thousands of Trumps throughout American history, and millions of examples of actions generated by these Trump-like individuals. I don t whine and cry - I preserve a record so that those who come after me will not continue to continual complaining and crying about that which I view as a white male norm. I have put together what I call Trump Prototypes as one part of this incredible analysis because so many presidential candidates before Trump committed the same kind of asinine mistakes that Trump has made, especially when it comes to their treatment of women, people of color and others. And let me add one more note. The media...
