His personal journey through grief illustrates how to lay hold of that which GOD means you to have at a moment in faith. Since Genesis, all people have died a physical death. But for believers in JESUS CHRIST - hope has been given for a greater purpose for living. At the time physical life ceases - faithful followers of CHRIST will be miraculously and instantaneously changed to incorruptible Spirit through the gift of eternal life. GOD'S Promise. [Romans 8:16-17] Kevin Simpson, a former United States Naval Officer, his professional background includes more than thirty years as a senior healthcare executive and consultant. Over the years he has been involved in several public-private community partnerships designed to help improve healthcare access for un-insured and under-insured populations in the United States.
