Shannon Publishing LLC. Paperback. Condition: New. 96 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. Do you start projects that are important to you, but then abandon them? It is likely unrecognized perfectionism that is holding you back from creating art, starting your new business, writing your book, or growing spiritually. You have big dreams that you keep secret, because you don't want to be embarrassed if you fail at them. Great news! This book is for you. I will help shake you free of your procrastination paralysis, calm your inner critic into silence, and open you to become what your soul desires. You will recognize and confront your fear of making mistakes and release the creativity-killing -- but deeply held -- belief that you can't go for your goals because of the risk of not doing it just exactly right. Outside of things like math tests, Perfect is mostly a myth. Yet it isn't even just that. You expect to make no mistakes -- or only just a few -- on your way to doing difficult tasks: learning the piano, writing a business plan, parenting, or creating the next hit Broadway play. Cindy Wigglesworth, author, says Well written and entertaining, this book is full of helpful advice. I recognized myself in some of the stories - and I bet you will too! Don't waste time criticizing yourself. Use your time instead reading this book and trying the tips within it! One such tip is looking at the Critical Voice as...
