Brand New Book ***** Print on Demand *****.[Siren Classic ManLove: Erotic Alternative Romance, M/M, bondage, spanking, HEA] Eddy Rogers s life went from simple to complicated the moment he decided to approach Briar McDaniel at the Silver Edge. The handsome bear was practically irresistible, but great sex wasn t everything. It was nice, but he wanted what his parents had--a love to last forever. He wanted to feel the zing that they claimed to feel. Eddy couldn t be certain if he had an emotional connection to Briar or simply just a reaction to the incredible physical interaction they had shared. Briar McDaniel considered himself a confirmed bachelor. The men he shared a house with were finding love and settling down. He didn t see that happening to him. So he got a dog. Dogs loved you, they weren t complicated, and there was never any drama. Too bad he couldn t forget the red-haired hottie he had encountered at the Silver Edge sex club. When Briar saw him with different men on several occasions, he decided to make Eddy forget them all. ** A Siren Erotic Romance.
