Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

Excerpt: . . . II. THE WOMAN MOVEMENT AS PART OF THE LARGER SOCIAL SITUATION 1. Personality And The Present Social Order Such a survey as we have just made leaves little doubt as to the reality and seriousness of the chaotic conditions of which the uneasy woman complains. The bare fact that there exists in society at the present moment a large class of idle women; a still larger class of women working in homes at enormous waste of time, energy, and efficiency; a third and comparatively small class whose work, though satisfactory, is of such a character as to interfere with marriage if they desire it; and a fourth class whose work is rendering them unfit for anything else, is sufficient evidence in itself that women are not realizing themselves through their social relations in any complete or harmonious way; but rather are buffeted about at the mercy of these same social relations. The selves which women bring to bear upon the struggle seem to be overwhelmed by a situation that is too large for them. They are controlled by these external conditions instead of realizing themselves through them. The case is not different with the modern man. The woman has no monopoly on conflict and disharmony. He, too, is swamped by the system in which he finds himself. He, too, is being made, willy-nilly, by the relations in which modern business and industry are involving him; yet he is not expressing himself consciously through these...
