Parlor Problems: Or Mental Mathematical Magic (Paperback)

By Preston Langley Hickey

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Introduction. Nearly every person of normal faculties attends parties and social gatherings. As a rule some sort of a little entertainment is given. Someone will sing, speak a piece or play some instrument. While they are very fine, and it takes long practice to become accomplished in these lines, people are constantly on the look out for something new. Parlor Problems, is therefore offered to the public as something new. Become an efficient entertainer in something outside of the beaten path and you materially increase your popularity. Master the few effects herein contained, and you are master of the situation as an original entertainer presenting something entirely different from the accomplishments of tho general public. Besides being amusing, puzzling and astonishing, the problems of which the book is made up, will give you an insight into an angle of mathematics, that, perhaps, you never before knew existed. The little problems of lightning addition and multiplication herein contained, are something that no grade, high, business school or college professor in the country make a practice of teaching. Very few of them...
