

Rethinking High School (Paperback)

By Zemelman

Heinemann USA, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. We've read educational essays packed with ideas, and we've read narrative accounts of individual schools. Rethinking High School is a rare and delightful marriage of the two. . . . It's hard to imagine anyone involved with high schools who won't come away from this book both impressed and enlightened. - Alfie Kohn, Author of *The Case Against Standardized Testing* and *The Schools Our Children Deserve* Rethinking High School is an important book for anyone who has ever wondered about what high schools could look like at their best. . . . This is a book for dreamers and doers, a book that shows us that ordinary people working together can accomplish the extraordinary. Daniels, Bizar, and Zemelman show us how. - William Ayers, Professor of Education, the University of Illinois at Chicago, Coeditor of *A Simple Justice: The Challenge of Small Schools* Secondary educators will cherish this book, as it will promote important conversations in their staff rooms and improved practice in their classrooms. The authors help us reimagine public education with page after page of practical and simultaneously profound ideas....

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

-- Lexie Paucek PhD

This is an incredible ebook which i actually have ever go through. This can be for those who stutte that there had not been a really worth reading. I am just quickly can get a delight of reading a published book.
