The fabulous journey of man has actually started from the alleged time of the creation of the worlds, which has lasted throughout many ages. It has led humanity from the Garden of Eden or Garden of God to the Holy City of Jerusalem onto the top of the Mount of God, known as Mt. Moriah or Temple Mount, eventually, reaching the farthest edge of the universe, known as the Abode of End Times. Human species have in recent times taken on the venture to boldly travel vast distances in the outer space, and are now constructing the first prototype of a so called International Space Station ISS that is thought of as a platform that could help humanity to better explore the origin of the universe, and, which could help mankind to discover the possibilities of human expansion and dominance in the outer space. In the end, the reader should realize that the truthful path of salvation can only be found and entered through embarking on the inner journey of faith, to be able to reach the highest Abode of Heavens in the Kingdom of God. This item ships from La Vergne, TN. Paperback.
