Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Remnant Found: Or, the Place of Israel's Hiding Discovered To have ascertained the existence of the Ten Tribes, as a collected mass of people, has been the peculiar happiness of the writer, who, in these pages, desires to impart his information to the public. It is now manifest, that the longlost people were not among the multitudes who perished by the ruthless swords of Genghis Khan and his conquering family and that they have not been scattered to the four winds of heaven, like the sands of the African Syrtes that are driven before the overwhelming blast but that these tribes of our consanguinity have been kept faithfully together as a people separate to God.
