What to Expect When Your Daughter Hits Double Digits: A Step by Step Guide to Survive and Thrive Through the Teenage Years (Paperback)

By Andrea Nelson Lewis

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Andrea has been there. She relates to managing a household, a full-time job, matrimony, AND raising a daughter through teenage years which requires flexibility, trial and error, giving, and forgiving while living day to day. During this time, parents often wish for parenting guidance based on experience and outcomes, and now you have it in this book. As a performance mother and scientist, Andrea gives step by step parental advice based on observation of tween and teen girls and their interactions with others. She shares the good to emulate and the bad to avoid. The book is for every person who interacts with and influences tween and teen girls including parents, relatives, clergy, and teachers. Kudos for taking this step to understand the ever-changing mind of girls as they approach or navigate the teen years. Through this book, find insight into the girl's mind with Teen Moments and advice from these girls and their parents in the Moving Forward and Looking Back section. With parental advice and experience in one place, this book makes raising a teenage daughter...
