Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hans Christian Andersen was a Danish author best known for writing children s stories including The Little Mermaid and The Ugly Duckling. But he didn t just write short stories, and his intended audience wasn t restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad-and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language they re in, Andersen s tales have got something for everyone. In them, you ll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and-occasionally-a happy ending. They re complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. Thumbelina is a literary fairy tale by Hans Christian Andersen first published by C. A. Reitzel on 16 December 1835 in Copenhagen, Denmark with The Naughty Boy and The Traveling Companion in the second installment of Fairy Tales Told for Children. Thumbelina is about a tiny girl and her adventures with appearance- and marriage-minded toads, moles, and cockchafer. She successfully avoids their intentions before falling in love with a flower-fairy prince just her size. Includes vintage illustration!.
