Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Balboa Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Art Soul is a collection of affirmative prayers, spiritual poetry, and inspired artwork that emerged out of deep connection with the Divine. It reveals spiritual truths that have the power to uplift, transform, and heal. Created by Sandra Leader, a minister at the Center for Spiritual Awakening in Pacific Grove, California, all the works in the book were completed while in a state of profound stillness after deep and prolonged meditation. The prayers, each accompanied by an original and expressive image, can take you on a transformative journey to a place of awe and wonder. Each addresses a specific need or potential outcome, making it a powerful resource for those looking for antidotes to the pressures of daily life or who simply seek greater spiritual realization. Taken together, the poetry and artwork impart a glimpse into that which cannot be named or explained and so help to break through the limitations of our rational minds to penetrate the mystery and beauty that is always and forever behind this material world. The book can be experienced by one of any faith-anyone seeking greater depth and peace-a gateway to what lies within and beyond.
