

A Child's Introduction to Art: The World's Greatest Paintings and Sculptures

By Alexander, Heather

Black Dog & Leventhal Publishers, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: An all-too-brief introduction to art for the younger set. Alexander and Hamilton have previously teamed up on titles in the wonderfully accessible and affordable A Child's Introduction to . series. This lively and kidcentric entry highlights 40 big names, mostly European and male artists (Michelangelo, Pierre-Auguste Monet, Diego Velzquez, Vincent Van Gogh, Pablo Picasso, Salvador Dal, etc.), in a series of two-page spreads grouped thematically. The book's handsome design captivates with an inviting cover and appealing 10-inch square trim. Though very heavy on the classics of European painting and sculpture, Alexander's accessible and readable text effectively combines with Hamilton's fluid, ink-and-watercolor vignettes and well-chosen reproductions of "signature" works. Further enlivened by intriguing, informative sidebars on theory, movements and techniques, it also features many related hand-on projects. A few very small nods of recognition to Asian, ancient Greek and Roman, Egyptian, African and Native American art are offered-- though at 96 pages one could hardly expect an inclusive, definitive resource. And it is light on diversity: Mary Cassatt is the only woman receiving a two-page spread, and Jacob Lawrence is the sole...

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
