## DO AMERICANS SHOP TOO MUCH NEW DEMOCRACY FORUM

[DOWNLOAD](#)

Beacon Press. Paperback. Condition: New. 120 pages. Dimensions: 7.9in. x 5.3in. x 0.4in. Juliet Schor breaks a taboo by exposing Americans shopping habits to moral society. Schor disapproves of unfettered private consumption, not only because we already use up so much, but also because overspending to bolster a sense of self does not lead to happiness. Along with her critique, Schor suggests intriguing ideas for making status goods accessible for all—for example, imposing high taxes on expensive items to subsidize lines of affordable luxury goods. A firestorm of responses follow from economist Robert Frank and others. The New Democracy Forum is a series of short paperback originals exploring creative solutions to our most urgent national concerns. A civic treasure. . . . A truly good idea, carried out with intelligence and panache. --Robert Pinsky This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
