

Devops for Beginners: Hands-On Guide (Paperback)

By David Johnson

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is an exploration of DevOps (Developer Operations). It begins by explaining to the user what DevOps is. As a reader, you will come to understand the importance of DevOps in software development processes. The process of setting up a Linux web server to run on an android platform has been explored in detail so that you will understand how to do it. The process of apps made in Ruby has been complex for a long time. However, a tool named Ansible can help you do this much more easily. This book explores this by guiding you in how to install your Ruby app with Ansible. Software apps are usually released in versions. Once a particular update has been made to the software, the version is changed to a higher one. In this book, you will be guided on how to control these versions and you will be shown how to change from one version to another. The process of updating software, which may be difficult on the part of the development team, will also be explored. The...
