

The Sixties Boys Rock the 70s (Paperback)

By Alan Hammond

Silver Link Publishing Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Following the success of Alan s semi-autobiographical Sixties Boys books *, he has yet again come up with another gem with: The Sixties Boys rock the 70s With a foreword written by guitar legend, Duane Eddy and following the success of Alan s three Sixties Boys books Alan has come up with an exciting sequel as the band now move into the groovy Seventies. Was there ever a more exciting, more expressive, more sensual decade as Modern Edge continue their quest for stardom and that Number 1 hit they crave for. After years on the road it is now or never as Nick Sheldon and the other teenage band members criss cross the country to fulfil that dream. Touring in clapped out vans, venues that alternate between dingy church halls, with just a few revellers, to sold out theatres. Added problems with dodgy dealings with London s East End criminals take its toll on the band. Together with personal relationships that bring tragic circumstances are told with a combination of sadness and hope. With changes in the line-up and going nowhere, the band is about...

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

-- **Kitty Crooks**

Extensive information! It's this sort of great read through. It is amongst the most incredible book I have gone through. I realized this publication from my dad and he suggested this book to understand.
