

## Parts of Me Are Still Amazing (Paperback)

Filesize: 5.87 MB

### **Reviews**

*Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Aliyah Mayer)*

## PARTS OF ME ARE STILL AMAZING (PAPERBACK)

Esplor Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. If you are 100 confident in the way you look, act, and age, read this book to see all the crazy vulnerability you might be missing. If, on the other hand, you have an insecurity or two, or twenty, read this book to laugh and embrace your quirkiness, insecurities, and courage. If you are a fan of Brene Brown, Liz Gilbert, Mike Dooley, SARK or Tony Robinson, read this book. They have taught you to embrace your beautiful, unique self, but sometimes you forget. Keep these Small Scale Stories by your bed, tucked in your briefcase, or in a drawer of your desk. Next time vulnerability buckles your knees, read a story or two, take a deep breath, laugh out loud, and keep on moving. Parts of Me Are Still Amazing is the second book in the Small Scale Stories series. The full-color photographs and lyrical short tales explore the communications most people pass by without noticing. Weeds unveil their secret lives. A hood ornament reveals an impressive imagination. Stones show uncanny wisdom. The books are hand sized, just the right size for keeping on a bedside table and giving to friends. Writing teachers will find them a useful tool for nourishing imagination and creativity.
