THE FOUR GENDERS HANDBOOK: HOW TO DISCOVER YOURSELF, FIND AN AMAZING PARTNER AND KEEP BOTH. (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book looks at personal relationships in a fundamentally new way. It identifies two primal energies that have fuelled the human attraction process since the beginning of time. All men and all women have one of these two energies. Therefore, four distinct genders (or energy types) exist in the world and not just two. The Four Genders Handbook explores the astonishing influence of these natural energies and how it affects us all. The two energies are the dominant instigator type and the submissive facilitator type. Without these quite different and complimentary energies human life would cease to exist. (1)The male submissive facilitator type (short form - submissive man) - he has natural talents of Action and Service. (2)The female dominant instigator type (short form - dominant woman) - she has natural talents of Nurture and Decision. The two energy types of (1) and (2) are very attracted to each other. (3)The female submissive facilitator type (short form - submissive woman) - she has natural talents of Nurture and Service. (4)The male dominant instigator type (short form - dominant man) - he has natural talents of Action and Decision. The two energy types of (3) and (4) are very attracted to each other. Both pairings have all four talents working together. This is the essence of human attraction. A vital tenet of the whole Four Genders concept is that while each energy type is very different, they are of equal value. In fact, any relationship, any family, any community, any country, will dangerously dysfunction if the Four Genders balance is not maintained. All Four Genders are necessary; all Four Genders must work together to bring the four talents together. Knowledge...
