Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

She s afraid of so many things that she keeps a list of fears on her bedroom door. She s scared of the dentist. She s scared when her parents leave for the weekend and she has to deal with mean babysitter Buz, and she s terrified of telling cute Frank Oliver how she feels about him. But more than anything, she s scared of Stink Warts the Horrible. Stink Warts is the monster who might live under Fannie s bed. She feeds him leftovers at night in case he exists. One horrible week, Fannie learns the school is having a sock hop. If she doesn t talk to Frank now, nasty Priscilla Nettles will. To make matters worse, Fannie s parents are taking a trip, which means Buz will bully her all weekend. Scared, Fannie accidentally calls upon the great powers of the universe, which send Fritz Fombie. This young zombie helps Fannie confront her worst fears-starting with his pet, a monster named Stink Warts. A lighthearted tale of facing your fears, Fritz FomBie Have No Fear mixes suspense and humor to keep eight- to thirteen-year-olds laughing and on the edge of their seats.
