Brand New Book ***** Print on Demand *****.Large format, full color, 20 illustrations, Science Fiction/Fantasy blend on simulated parchment, low cost edition. Magic is an advanced science that humans don t understand. Two young people are betrothed at birth and forced by alien races to serve as the secret King and Queen of contemporary Earth: from the UK, Stefan, a seventh-grade artistic prodigy and from the US, Tova, a nineteen-year-old life sciences genius. Both were raised as humans and left to discover that they will become immortal at age nineteen. Using their emerging magic, they must protect the kingdom of Earth from unwanted alien intrusions. Shy, reclusive Stefan is ripped from his childhood and has eight weeks to learn to rule. Tova must do more than love Stefan - she must keep him sane or kill him to protect humans from his irrational use of his powers. In this first part of the four part serial storyline, Elof, an abused Tibetan-American science wizard must teach the magical children, Ty and Tyco, to use their talents ethically. Otherwise, Tova will destroy them to protect...
