Penguin Putnam Inc, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Chance Silvey grew up in her grandparents house on the side of Red Mountain, high above the urban sprawl of Birmingham, Alabama. Now married, with a baby on the way, she wants to move on and leave the house--and the tragic history of her family--in the past. But her future is already tainted. Chance is hallucinating, seeing blood everywhere, and is afraid to uncover what it means. Her husband, Deacon, a gifted psychic, fears being drawn into a police investigation after having a vision of a serial killer s brutality. And it all leads to a woman with a thirst for violence, hiding from something that haunts her day and night. Something even more terrible than herself.
