

The Vitamin Cure (Paperback)

By Monte Lai

Humanix Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Based on over 40 years of research and hundreds of leading studies, The Vitamin Cure is a comprehensive guide to improving overall health with vitamin and essential element therapies. Modern medicine has done much in the field of acute conditions such as trauma, infections, burn, and bone fractures, but it has limited success in treating chronic diseases, such as Alzheimer s, Parkinson s, cancer, and diabetes among others. At present, the root causes of most chronic diseases are still unknown, and the drugs developed by pharmaceutical companies to treat chronic diseases actually treat only the symptoms rather than causes. According to Dr. Monte Lai, a nutrient deficient diet and unhealthy lifestyle are by far the two most important environmental factors associated with the causes of a host of chronic diseases. The Vitamin Cure provides a comprehensive overview of how vitamin and essential element therapies are the key to treating and preventing many of the chronic conditions. While the internet is chock full of health related information about vitamins and essential elements, it is difficult to sort through all available information to build a reliable knowledge base...
