What went through the mind and heart of our Blessed Mother as she stood faithfully by her Son in His last agony? As a loving mother, she would have pondered every moment of His precious life and every experience she had with Him. She would have pondered His conception, His birth, His presentation in the temple, His public ministry, His passion and death and so much more. Through this daily devotional you are invited to prayerfully ponder the mind and heart of our Blessed Mother as she endured the great suffering inflicted upon her own dear Son. Mother Mary faced the Cross of her Son with perfect faith, love and devotion. Her fidelity to her Son throughout His life was unwavering. As she stood before the Cross during those long three hours, that fidelity never ceased. The Scriptures do not reveal much about the interior ponderings of our Blessed Mother during those three hours, but the Scriptures do reveal to us many encounters between this Mother and Son. Since the Cross was the culmination of the life of both Mother and Son, it is beautiful to bring to this moment of the Cross all the many experiences that these two shared throughout their earthly lives. It is inspiring to unite all that they did and said to this moment, since all was a preparation for this moment. This book is helpful any time of year, especially if you find yourself facing a difficult cross in your own life. It is also perfect for Lent in that it offers 40 reflections as well as prayers that can be used throughout Lent and for Holy Week.
