Neuware - As I was seeking a solution to help my students who were struggling with reading and writing, I found about the jolly Phonics method. I was so fascinated by this fun child-friendly method that I decided to use it for the treatment phase of my MA project. Ever since I've started using Jolly Phonics, I feel so much different in the class. Jolly Phonics has brought about a different sense and atmosphere to my classes both for me as a teacher and for my students.
