This book is a valuable guide on how to eliminate Stage Fright and Conquer Presentations. Read, Learn and apply the lessons of this book to master the art of speaking to a live audience. This book will provide you with insights on not just the basics of public speaking but also the logistics, formalities, opening and closing a speech, speaking with an international audience and even provide you with skills to apply beyond the stage environment. I suggest you read through this book and take in the information and then apply what you discover here. I emphasise in this book that action after learning will be your quickest and most efficient route to success. This is the case with anything you learn and that is no exception with this book. Did you know that public speaking is one of the deepest fears held by people; it's highly ranked in the top 10 fears in society today. In many cases, the fear is the main boundary in the way from people mastering this. In this book, you'll be introduced to some...
