Brand New Book ***** Print on Demand *****.Excerpt from Handbook of West Coast Countries Panama and the Canal, and the West Indies There is no need of apologizing for the writing and publishing of this book. The interest in Latin American and West Indian countries is growing, but no comprehensive, complete book of general information about them has, as yet, been written in a popular way and published. This seems to justify giving to this volume a little place under the sun, and space in private and public libraries. If there is need of apologizing, it is because of this: The manuscript has been written very hurriedly during a busy trip in almost record time. It has been printed under difficult conditions on board of a steamship (the Santa Elisa, Grace Line), while at sea. Hence many imperfections of grammar, rhetoric, typography, etc., - unavoidable under the circumstances. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
