Therefore, he was interested in Scottish folk song. He collected and prepared it to be published. When he was unsatisfied with lyrics in some of the songs, he revised it and arranged or wrote new lyrics on a former music. That is why many songs could be resurrected to life. And even though today we do not know the authors of the original music, at least we know the author of the lyrics. Therefore, we can play them on the mandolin and admire the beautifully arched melodies.
