Brand New Book ***** Print on Demand *****.Excerpt from Suggestive Programs for Special Day Exercises: Published by Department of Public Instruction for District Schools To the Teachers and Friends of Education: In preparing and sending out these suggestive programs for Special Day exercises, it is our desire to bring the Department of Education closer to the people, to bring the patrons and teachers closer together in the work of the schools. Just as, in the palmy days of Rome, broad highways connected the Forum with the capital of every province, so we believe there should be a highway leading directly from this Department to every school house in Michigan. If we as a people could more often come together for the discussion of the common problems of life, if there could be more opportunity for an interchange of sympathy and good-will, our schools and homes would be the better. The struggle to reach the position of independence we now enjoy is not fully appreciated by this generation, and there still remains the problem of our country s future destiny which must be worked out...
