HIGHBRIDGE AUDIO, United States, 2002. CD-Audio. Condition: New. ; 2.5 Hours on 2 CDs ed.. Language: English . Brand New. He s back! In a voice more cantankerous and comically pungent than ever, George Carlin spouts off on everything from British royalty ( A Day in the Life of Henry VIII ) to auto racing ( Sports Should Be Fixed ) to American politics ( Don t Blame the Leaders ). With his manic mind and motor mouth in high gear, he rants against anyone who tells him to have a nice day and skewers the euphemism epidemic ( To be honest, some of this language makes me want to vomit. Well, perhaps vomit is too strong a word. It makes me want to engage in a involuntary personal protein spill ). When Carlin s in a more reflective mood, he reveals, I couldn t commit suicide if my life depended on it, and ponders the really big questions, like Is a vegetarian permitted to eat animal crackers? and Griddle cakes, pancakes, hotcakes, flapjacks: why are there four names for grilled batter and only one word for love? What his candid take on life s little moments lacks in political correctness, it more than makes up for in gut-busting laughs. He s the guy who dares say what the rest of us hesitate even to think. And he does so in ways that are often raunchy and always riotous.
