 Reflective Playwork and
 provides an introduction to playwork values, principles and practice for all who work with children. It recognizes that play is a need for all, and seeks to encourage the provision of time and space for all children to freely enjoy its benefits. and
 In a world where we are ever seeking to protect our children and to encourage their educational progress, it is often overlooked that the need for play is as important as the need for food and sleep. Play deprivation can result in a child having less energy for education, a lower ability to use creative and imaginative ways of problem solving, a poorer self image, being less able to cope with the stresses and strains of life and sometimes being more likely to look for kicks in anti-social ways. and
 This book encourages a greater understanding of play from the child's perspective, and suggests ways in which adults can support and enhance play. and
 It covers: and
 Playwork principles and practice and
 Play theory and
 The child and
 Playwork values and practice and
 Playwork and society and...
