

Ethical Challenges in Health Care: Developing Your Moral Compass

By -

Springer Publishing Co Inc, United States, 2009. Paperback. Book Condition: New. 251 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Crisis in Health Care presents the issues and dilemmas facing nurse practitioners and health care managers in identifying and sustaining ethical practice and management. This practical and easy-to-read handbook outlines both personal and organizational strategies to develop moral courage when facing such dilemmas. A novel reference for providers and those in leadership positions, the book combines in-depth discussions of ethical contexts with practical case studies, skill assessments and reflective questions, suggestions on improving necessary skills, and numerous figures and tables. This book focuses on the development of moral courage in the management of health care organizations. It outlines the theoretical and policy changes required for an ethical health care culture. It discusses current topics such as the uninsured in America, warehousing of elders, and hospice.

Reviews

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Ms. Missouri Satterfield DVM**

Extensive manual! Its this kind of very good read through. I actually have read and that i am confident that i am going to planning to study once again once more in the future. I am easily could possibly get a delight of looking at a composed publication.
