Lindisfarne Bks. Paperback. Book Condition: New. Paperback. 260 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. The research presented by Robert Powell in this book shows that a new science of the stars is possible, based on a study of reincarnation and karma. Willi Sucher did much to pioneer the development of a new star wisdom, or astrosophy, as a scientific tool for the investigation of karma. Powell has discovered that applying the science of astrosophy to the findings of karma research reveals through the discovery of astrological reincarnation rules the foundations underlying star wisdom. Once these foundational findings relating to astrological reincarnation research have been assimilated, a reformation of traditional astrology will inevitably take place. Once the new astrology is established, there will be a similar feeling in looking back upon traditional Western astrology that modern astronomers have when looking back upon the old geocentric astronomy. The purpose of this book is to contemplate the incarnations of the prophet Elijah, with the goal of laying the foundation for a new science of the stars as the science of karma. These words indicate that, from the end of the twentieth century and into the twenty-first century (that is, now), the Elijah-John individuality is to be a radiant forerunner for humanity in the next step underlying our spiritual evolution. ELIJAH COME AGAIN presents a scientific approach toward unveiling the mystery of human destiny. This theme is timeless in nature-yet timely, nevertheless, in...
